

**Recreation Updated Covid -19 Guidelines and Policies
August 30th, 2021**

Indoors Programming at a Northeast Arc Facility:

- Staff, participants and volunteers will be required to wear mask indoors for both vaccinated and unvaccinated folks

Indoor Programs taking place at a community facilities where Recreation is running a program:

- Staff, participants and volunteers will be required to wear mask indoors for both vaccinated and unvaccinated folks

Outdoor Programming at a Northeast Arc Facility:

- Staff, participants and volunteers are not required to wear masks for outside activities when 3 feet social distancing can be maintained for both vaccinated and unvaccinated folks
- Recreation staff have the authority to ask any staff, participants or volunteer to wear a mask outdoors if 3 feet of social distancing cannot be maintained regardless of the individual being vaccinated or not.

Staff, Participants, Visitors and Volunteers Code of Conduct:

- All staff will follow the Northeast Arc Recreation Call out procedure and code of conduct
- Staff must check each participant for symptoms (including temperature checks) at the start of all indoor, outdoor and community based recreation programming
- Participants, guardians and caretakers will provide one Code of Conduct Form for all programming. The copy provided will be kept on file for the duration of the year

Sanitization:

- Sanitation of hands, equipment, materials and tables used will continue to be sanitized before during and after all Recreation Programming.

Food during Recreation Programming:

- Snacks will be provided to participants during Friday Night Happenings in individualized bags when possible.
- Sharing of food, drinks and personal property is still prohibited for all staff, participants and volunteers.

Our main goal is to keep each individual safe and healthy as we transition back to our new normal!

We appreciate your understanding and cooperation as we continue to navigate these circumstances.
